FREE ALL INCLUSIVE ACTIVITIES

The Monchique Resort is much more than a Hotel: it's a place where you can enjoy specialized workshops and activities focused on improving your well-being.

We want you to focus on both the body and the mind. To have a 360° experience that allows you to overcome the stress of everyday life, connecting with the nature that surrounds us.

For this we developed a weekly schedule of activities included in the value of the stay, so that you can enjoy those that best fit your personal tastes. Activities are organized into six distinct categories – wellness, sport, nature/sustainability, healthy eating, families and featured workshops – that complement each other.

EXPERIENCES

- Wellness, sports and nature
- Make your own wine
- Walking & Hiking
- Cycling tours go-kart track
- Race track experiences
- Traditional olive oil, honey or medronho tasting
- Silves castle visit (25 minutes), Lagos (30 minutes)
- Alvor beach or Foia
